

**Order your Songs from the Circle CD!**

Leelanau Children's Center is a community based early childhood program in which a love for life and one another is front and center. Each morning, children attending LCC begin their day in music circle, an exercise in community building... joining together in songs of welcome, appreciation, and respect for ideas, cultures, and backgrounds. Now you can have a little music circle whenever you want... our talented, delightful music man, Doug Hansen, has produced this fun and inspiring recording of LCC favorites... *Songs from the Circle*. We're digging deeper, reaching higher for our children. *Enjoy!*

**A great gift  
idea for...  
children...  
LCC alumni...  
and you!**
